

CALLING ALL SOUNDERS OF SWINE

Tap into Pig Frenzy by participating in the Ham It Up contest.

Any community, church, school, or civic group that is interested in supporting the runners of the Flying Pig Marathon are encouraged to participate in the event as Squealers. All groups participating competing for a contest award must register and be accepted by the Ham It Up Committee.

Squealer Groups can show their en-soo ey- asm and support during the Flying Pig Marathon through song, music, cheers, costumes, banners, signs, etc. Be creative, inspirational, and clever but please don't interfere with the progression of the marathoners as they make their way toward their goal. And remember, ALL participants appreciate encouragement so plan to be out there for the duration of the race.

The 12th Annual Flying Pig Marathon is scheduled for Sunday, May 2 beginning at 6:30am. The time your group needs to be at its post will be determined by the placement on the course. The Ham It Up Committee has identified specific areas along the course that will be reserved for Squealer Groups. The Committee will inform you as to when the runners will be passing your area.

Not only will you have fun cheering along the runners but your group may win cash for being selected as a top squealer!! The Flying Pig Marathon will award \$500 to the best Squealing group, \$300 to the Runner-ups, and \$150 to a 3rd place Tailing group. The Ham It Up Committee will be out on the course to judge all registered groups.

If you have a non-profit organization that would be interested in the Contest, please complete the registration form and return it by April 20th. There are no bad spots on the course, but the "preferred" spots go fast so register early to mark your territory.

Please call 513-721-7447 or email info@flyingpigmarathon.com with any questions.
